## FTTH Letter of Commitment

In order for Total Highspeed LLC to provide a stable, reliable Fiber to the Home (FTTH) internet connection to your location, Total Highspeed LLC requests each customer interested in getting our service to choose from the following fiber internet options:

- \_\_\_ Customer pays **\$85/mo** for 100 x 100 Mbps residential speed.
- \_\_\_ Customer pays **\$105/mo** for 300 x 300 Mbps residential speed.
- \_\_\_ Customer pays **\$125/mo** for 1,000 (1 Gig) x 1,000 Mbps (1 Gig) residential speed.

Total Highspeed LLC will provide this residential FTTH service for a contract of Twenty-Four (24) months. Customer can choose to opt-out of a contract at time of sale for an additional \$30 per month. All offers have no data caps and FREE install.

By signing this Letter of Commitment, Customer allows Total Highspeed LLC access to their property to perform any site surveys, trenching, burying of drop lines, or other services required to bring fiber to their Home. This document serves as the customer's intent to purchase and maintain a FTTH connection when the customer's property is available for internet service. Activation of service pending the activation date of any and all additional service delivery equipment going live.

|                     |      |           |     |
